

## Transition to Adult Services for Youth with Disabilities

As youth (14-22 years old) move into adulthood, they and their families have choices regarding services. This transition fair provides the opportunity to learn about some of the options available.

### Resource Fair

- Living Options
- Day Programs, Employment & College
- Supporting Self-Determination/Self-Advocacy

*YOUTH encouraged to attend this event which is specifically for THEM!*

### Presentations

Representatives from California Department of Rehabilitation (DOR) will talk about student and adult services to aide employment.

This event is free,  
but registration is  
required.
