

WarmLine Family Resource Center

Presents:

Understanding Special Education

We know that navigating Special Education for your child can be both exciting and frightening.

In this FREE training, we can help you understand the what is happening so you can participate confidently.

We'll discuss:

- Assessments — What they are , why they're done and why they're important.
- IEP Document — What it means for your child.
- Meeting Preparation — Parents are part of the team. How YOU can contribute.

Wednesday, March 20 6 p.m. to 8:30 p.m.
