

Let's Get Organized!

Do you keep your child's educational or medical records in a shopping bag?

Getting organized is the first step in advocating effectively (and confidently) for your child! Bring your child's:

- Assessments,
- IEPs,
- IPPs, etc.

Together we'll arrange them so you can immediately find whatever document you need! Each family will receive a gas card and WarmLine tote bag. Binders and dividers will be provided. *
