

WarmLine Family Resource Center is a non-profit organization serving families of children with disabilities from birth to 26 years old.

**Dear Families,**

It seems as though distance learning (DL) is going to be with us and our children for awhile. WarmLine has received many requests from parent regarding strategies for DL with their students. So, by popular demand, this issue of the newsletter will contain information on DL from multiple sources. We hope your find it useful. As always, please call us at 916-455-9500 or email us at [warmline@warmlinefrc.org](mailto:warmline@warmlinefrc.org) with your questions. We'd love to hear how YOU are planning to tackle DL with your children. Please drop us an email or share on our "WarmLine Family" Facebook group.
