

WarmLine Family Resource Center is a non-profit organization serving families of children with disabilities from birth to 26 years old.

Dear Families,

November and December are traditional times to gather with family and friends to celebrate. As with so much else this year, our holidays are going to look different. Some people will still travel, some may still host groups within their homes. Some, who share their lives with friends or family members who are "at risk" for contracting COVID-19, will plan to celebrate at a distance or virtually.

Here are some virtual ideas for making the holidays fun.
