

# Sibling Workshop!

Sibling Workshop is a place & time to play games & mingle with new friends who “get it” about the good (& sometimes not-so-good) parts of having a sibling with special needs.

There is no cost to participate in the workshops, though donations are gratefully accepted!

Due to popular request, the session from 10:00-11:30 am on June 2 will be devoted to disaster preparedness. The “Feeling Safe/Being Safe” training teaches how to create a personalized safety plan during an emergency & learn ways to connect with community members. Attendance to the training is required in order to attend the Sibling Workshop that day. For more information about the disaster preparedness training, please email Angie Rivera at [angbob@prodigy.net](mailto:angbob@prodigy.net)

Supported by a generous grant from the UC Davis MIND Institute's Center for Excellence in Developmental Disabilities.
